

## Welcome to Lydia.com™

We're so glad you're here.

At Lydia.com™, we believe friendship often begins with a conversation. Picture a cozy café, a warm drink in hand, and a thoughtful chat with women who understand, encourage, and inspire each other. That's the heart of Lydia.

This isn't a place for likes or followers. It's about genuine connection that grows naturally and may even blossom into real-life friendship.

## How Lydia.com™ Works

Getting started is easy.

1. **Create an account** with your email.
2. **Choose how much to share**—whether just the basics or more about your interests and experiences.
3. **Discover women** who share your passions, connect locally, and exchange messages at your own pace.
4. **Move to video chat** or meet for coffee when the time feels right.

Friendships aren't rushed here—they're nurtured.

## Your Privacy Matters

Your privacy is our priority. You control what you share and when. Please review our Privacy Policy for peace of mind.

At Lydia.com™, we hope even one meaningful friendship makes it all worthwhile.

**As C. S. Lewis said, "Friendship is born at that moment when one woman says to another: 'What! You too? I thought I was the only one.'" We hope many of those moments happen here.**

Welcome—we're happy you're here.
